HISTORY

Founded in 1990, NassConsult Limited set out to redefine luxury real estate in Kenya by bringing global standards, integrity, and transparency to the market.

With decades of expertise, we transform evolving trends into exclusive investment opportunities and prestigious developments.

Driven by innovation, NassConsult continues to shape the high-end property landscape — from visionary off-plan projects to bespoke financial solutions that elevate the art of luxury living.

DATA DRIVEN DECISIONS

NASS PROPERTY INDEX

NassConsult is dedicated to publishing the Nass Property Index every quarter.

Over the past decade, this index has become an essential real estate resource for investors, homeowners, financial institutions, and consumers.
